

Call for Abstracts

We would like to invite you to submit abstract for

The 4th Energy Future Conference and Exhibitions 2020

To be held in:

Colombo Theatre Complex, UNSW Sydney, Australia
27-29 May 2020

Energy Future conference series, now run for the fourth time is Australia's unique platform where research and industry interaction enables innovation in the energy sector.

Energy for circular economy - making use of every resource

EF 2020 Conference series will consists of a number of program:

- Renewable Hydrogen Symposium
- Energy Storage and Battery Symposium
- Energy Conversion Symposium
- International Symposium on Capacitor Advancement Symposium
- ECR in Energy Symposium
- International Research Network French Australian Inaugural Workshop (IRN-FACES)

TOPICS

Presentations either oral or posters from industry, academia and consultancy on, but not limited to the following topics are invited:

Renewable Hydrogen including Hydrogen Storage

Energy Conversion including Catalysis, Photocatalysis, Photovoltaics, Water Splitting, Carbon Capture and conversion, Nitrogen Fixation, Photo-thermal Catalysis

Advanced Supercapacitor including electrochemical double layer capacitors, carbon electrodes, pseudo-capacitive materials, new concept, new devices and new fabrication, etc.

Energy Storage and Battery including Electromaterials for batteries, supercapacitors, fuel cells and electrolyzers

SPEAKERS

EF4 features renown plenary and keynote speakers:

- Prof Nate Lewis (CALTECH)
- Prof Akihiko Kudo (Tokyo University of Science)
- Prof Paul Fornasiero (Univ of Trieste)
- Prof Linda Nazar (Univ of Waterloo)
- Prof Chunseng Wang (Univ of Maryland)
- Prof Thomas Klassen (Helmholtz Berlin)
- Prof Donghai Wang (Pennsylvania State Univ)
- Prof He Yanbing (Tsinghua Univ)
- Prof Hiroshige Matsumoto (Kyushu Univ)
- Prof Ping Wang (South China Univ of Tech)
- Dr Vanessa Peterson (ANSTO)
- Prof Arthur Braun (EMPA)

Plus much more, please visit website for more information.

SPONSORSHIPS & EXHIBITIONS

Participation offers a unique opportunity to promote products and services to a select and relevant audience of industry and academia. The exhibition will run for 3 days alongside the EF Conference. Contact EF2020 conference secretariat to get the Sponsorship and Exhibition Prospectus at: mandalena@unsw.edu.au

OUR SPONSORS:

IMPORTANT DATES

Abstract Submission deadline:

1 February 2020

Early bird registration deadline:

30 March 2020

Abstract Submission

When submitting your abstract, please do **not exceeds 300 words** and should be submitted online:

<https://www.ausenergyfuture.com/abstract-submission>

REGISTRATION FEES

	Early Bird (by 30 March 2020)	Full
Standard 3 Days	\$650	\$750
Student 3 Days	\$430	\$530
Day delegate		\$300
Conference Dinner		\$130

Please note that registration fee include MT, Lunch and AT for three days and networking drinks but does NOT include Conference Dinner:

Go to conference website for more information:
